Subject: Invitation for a Panel Talk Show at SOFTEC 2020

Respected Sir,

We, at SOFTEC, wish to invite you to be a panelist at a talk show (sponsored by Neo Network) for SOFTEC 2020. SOFTEC has a legacy of over 24 years in which it has given academia and professionals a platform to enlighten minds through interactive discussions and talks. This year, SOFTEC 2020 brings together government officials currently in office and academics from FAST NUCES to discuss the latest topic in the country: **Our Youth, Our Future** (بھارا نوجوان، بھارا مستقبل).

It is not wrong to say that the future of Pakistan lies in the hands of the youth. It is the time to give importance to the youth and create opportunities for them to succeed for the betterment of Pakistan. SOFTEC 2020 aims to shed some light on this topic by engaging the top government officials with practical experience on the matter. Along with a government point of view, the panel talk show will also include the opinions of the academia and their take on the development of the youth.

SOFTEC 2020 would like to invite you to share your expertise and knowledge at this talk show.

The event will take place on the **28th of March 2020, 2:00 pm onwards** at the Syed Rafaqat Auditorium, FAST National University Lahore. We hope you will give us the honor of hosting you for the duration of the event.

Thanking you in advance.

Regards,

Farwa Khawar
